I am an active member of the Foto Club Elema in Skopje and also an active member of the national Foto Assembly of Macedonia since 1980. I was a long time president of the club Elema in the past, and I was one of the founders who planned and organized the exhibition FOTOMEDIA (a formidable print exhibition locally in Macedonia and abroad as well), hosted by the club. As an active member of the Foto Assembly of Macedonia I have an important role in planning, organizing and hosting exhibitions and other manifestations. I am very active especially with younger members of the national club trying to pass to them my long time experience in analogue and digital photography as well. I have participated in a lot of national and international group exhibitions and I have received a lot of national rewards as well as international ones at FIAP and PSA.
