Hausdörfer Frank, EFIAP, MPSA, GPU VIP2, Germany

Frank Hausdörfer was born in East Germany in 1966. The western part was only 1 km away and was inaccessible until 1989. This "impotence" caused a wanderlust, which became the driving force for many trips. His work is characterized by seeing things that others do not pay attention to. The skilful use of depth of field and the play with light and shadow enable the photo artist to take very special snapshots, some of them "tell stories". The German does not see himself as a hobby or professional photographer, but rather as a photo artist, since he has never learned this profession. After the reunion of Germany, he has worked as a freelance journalist reporting sports and local news. Because of shutting down most of the daily newspapers, he studied social pedagogy. In 2006 he started focusing on model photography in his spare time. The Thuringian is known worldwide for his spectacular landscape photos - especially from South America. Hausdörfer was able to convince jurors from 34 countries with 100 different pictures. He has won over 700 awards, including more than 250 medals, in the past five years. In the last time he has also been a member of the jury in over 30 circuits. For example, the "Image of the Year" 2018 at PSA or the "ASIA SUPER CIRCUIT" 2019 organized by the APU, where 3 to 4 thousand images are submitted each month. In addition to the MPSA and EFIAP, Hausdörfer was able to achieve the Distinction GPU CR4, C *** MOL, and R-ISF 10, which very few photographers in the world achieved.

FIAP BLUE BADGE

Bruder Ursula, EFIAP/p, EPSA
Germany

Already as a child, I was lucky to learn the art of photography with my father's Voigtlander Camera – at that time still without exposure meter, range finder or other technical assistants. Soon I had the necessary experience to assess light and distance correctly and loved to capture special moments and ambiances with my camera. Already then I learned the basics of photographic composition from my father. This love for photography accompanied me throughout my life. During my working life photography was limited mainly to holidays, but now I am able to dedicate myself to photography.

2010 Individual exhibition „New Zealand“, 20 large sized landscape photos; 2015 I started to take part in international photo competitions very successfully, I got the 10th place in the DVF's international competition successes ranking; 2016 Title AFIAP Title „Photographer of the year“ (magazine „photographie“), 1st place at DVF's Championship themed „tradition and customs in Germany“; 2017 Title EFIAP

„FIAP best author Salon 4“ (Trierenberg Super Circuit), 5th place in the DVF's international competition successes ranking. Individual exhibition „Northern Magic“, 40 large sized fine art landscape photos, Participation in the exhibition of the „Pirmasens Photo Days“ theme „nature and landscape“, Participation in the exhibition „More light“ of the Hartlauer Photo Gallery in Linz, Austria, Participation in the DVF's exhibition „Travelling with the camera“ in Oberstdorf, Germany; 2018 Title EFIAP/b, 2nd place at DVF's Southern Germany Photo Championship; 2019 Title EFIAP/s, 1st place at the Bavarian Photo Championship, Contributor and Co-organizer of the exhibition „The beauty of light“ of the photo club Rapperswil-Jona/Switzerland; 2020 Title EFIAP/g; 2021 Title EFIAP/p, after being a juror at different local photo contests I am starting now to be part of the jury of International Circuits.
