FIAP BLUE BADGE

Chan Ching Ching
Hong Kong

My name is Ching Ching Chan from Hong Kong and I am honored and humbled to be selected as the best author of Salon Cacak. As a housewife, I have always been interested in different art forms and wanted to find my own little world. A few years ago, I got a chance to know more about photography and since then, I feel like I have finally discovered a medium to express myself. For the past few years, I am lucky to bring my camera around the world. In every country, I have learnt something about life, something about love and something about relationships through my lens. And by capturing different moments and emotions while exploring their culture, my soul has been fulfilled. I enjoyed learning through different competitions, and the process allowed me to make some good companions and improve with them. I am extremely honored to receive this recognition in the field of photography. It has been a huge encouragement and I will continue to work hard humbly. Comments from everyone will always be priceless treasures to my development and are always welcome. I put my heart and passion in my photography and I hope it shows in my work. Last but not least, everything will not be possible without family's support so I would like to take this opportunity to thank them.
