Silvana Retter, EFIAP, GPU VIP2, Germany

Silvana Retter is an Romanian/German National & International Award winning photographer and Jury, living in Germany. Educated in Journalism, she begun her career as a news reader at a local TV station, in Romania. She discovered her passion for photography back in 2006, when she bought her first Canon camera. Many of her pictures speak about the feelings and moods she felt during her trips over the last few years, also about the emotions of people she met and photographed. Being an intuitive and spontaneous person, she like to convey warm feelings. "I'd like for people to understand photography and its fine art – the mood, the emotion, the delicateness of a particular moment, the lighting, and the photographer's decision on how to frame it, to capture its essence." "I don't shoot what it looks like, I shoot what it feels like." Photographic Distinctions: EFIAP, EAAFR, GPU VIP-2, GPU CR.3, Art. AAFR, Hon.FPI, HFGNG, Hon.F TPAS, Hon. WPAI

Vulovic Krsto, Montenegro
