Kojadinovic Goran, EFIAP, Serbia

Goran Kojadinovic is a graphic designer and photo amateur who lives and works in Kragujevac. He graduated from the Belgrade Polytechnic in Graphic Technology and is a member of the Serbian Association of Photographers and Photo Club Kragujevac. He was born in a family in which photography is especially appreciated and his interest in photography is growing with the rise of digital technology. He was engaged in activities that contributed to the resurrection of Kragujevac photography in 2010 (photo-excursions, exhibitions and festivals of art photography) and thus he finally entered the magical world of art photography. Since 2012 he participated in more than hundred and fifty salons in thirty-five countries, won more than fifty awards and juried twenty international photo contests. So far his successes have been confirmed by receiving the titles Excellence FIAP and Honoris Master of Light.

Stjepcevic Roko, Montenegro

Roko A. Stjepcevic. I was born on May 23, 1962 in Kotor. I am a mechanical technician by profession. I live and work in Tivat-Donja Lastva. I gained my first knowledge of photography by completing a course for photo and cinema amateurs in the Photo, Cinema and Video Club "Mladost" Donja Lastva in 1976. At first I participated in photography exhibitions at the Festival of Young Technicians throughout SFR Yugoslavia. I participated in many collective exhibitions of photography organized by the Photo Association of Yugoslavia in Tivat, Priboj, Titograd, Zagreb, Belgrade, Cacak, Sarajevo, Herceg Novi, Niksic, Bijelo Polje, etc. I also had a solo exhibition in Gornja Lastva. I have won several awards and commendations at photography exhibitions, and I am a first-class amateur photographer.

Tomulic Aleksandar, EFIAP, Croatia

Born in Rijeka (Croatia) in 1967. In 1991 receives a diploma from the University of Technology in Rijeka where he lives and works. Seriously involved with photography since 2004 although he was interested in taking pictures from childhood. The magic of the unrepeatable frozen moment fascinates him as does the feel for light, composition and the split second, although he personally prefers street photography and seaside motifs, and likes to experiment with abstractions. In year 2010 became Artist FIAP (AFIAP) and Excellence FIAP (EFIAP) in 2012. He is an active member of Fotoklub Color Rijeka and Fotoklub Pag. He had 15 one-man shows, participated in over 540 group shows and received over 400 awards out of which his 59 gold medals at FIAP and PSA salons in India, Netherlands, Portugal, Uganda, Guatemala, Bulgaria, Montenegro, Serbia and Croatia should be especially emphasized. He was a selector or a jury member at around 15 FIAP and PSA photo salons or other photo contests and was included by the Croatian Photo Association ten times in the national selection for FIAP Biennale. He has had photographs published in books, on book covers and catalogues as well as in photo magazines and calendars. Since 2013 he has worked also as an instructor in photography and giving classes and workshops.
