FIAP BLUE BADGE

Alexander Phillipa , EFIAP/g, MPSA
Australia

I bought my first DSLR camera 15 years ago. While I had always been interested in art, I embarked upon a steep learning curve knowing little about the technicalities of cameras or photography. Landscape, monochrome and nature photography quickly became my favourite genres. I look for the essence of things and I like my images to express an emotional quality whether that be the mood of the landscape or the sheer beauty of the subject. I was encouraged to enter international competitions in 2010 and have had over 2,000 acceptances in exhibitions and received more than 190 awards including several FIAP Blue Badges. As a result, I have been awarded the photographic honours EFIAP/g and MPSA. I enjoy both the artistic and technical challenges of photography. I am always striving to improve my visual literacy, in-camera technique and post-processing skills to develop my personal vision and create an image which I find visually appealing. Thank you to the Gradac Circuit 2023 - Peresto - Montenegro for awarding me Best Author of the Salon.
