Kascelan Milorad, Bosnia and Herzegovina

Milorad Kaščelan was born on 15 November, 1962 in Kotor. He has been engaged in photography since 1984, when he became a member of the Photo Club Student from Podgorica. In 1987, he became a member of the University Photo Cinema Club from Banja Luka and that was when he began his exhibition activities. So far, he has exhibited his works at over 780 group photo exhibitions and won 190 awards and honorable mentions. In addition to this, he was a member of the jury at more than 75 photo exhibitions. In the Photographic Association of Bosnia and Herzegovina, he is a holder of the titles Master Photographer (MF AUFBiH) and EFIAP/b title within the International Federation of Photographic Art (FIAP). As a teacher and an instructor of photography, he was one of the lecturers at over 50 photography courses and more creative photo workshops. He is one of the founders of the largest photographic exhibition in Bosnia and Herzegovina - BANJA LUKA PHOTO SALON. He has had 16 independent exhibitions so far.

Radovanovic Radenko, F1 FSS, Serbia

Zdravev Zoran, PPSA, North Macedonia

Zoran Zdravev is a university professor and an active amateur photographer with many years of engagement in amateur photography. This biography showcases his achievements in the field of photography up to 2024. Zoran developed his love for photography in elementary school and began participating successfully in competitions and exhibitions of artistic photography as a student in the 1980s. After graduating, he paused his photographic activities to focus on his professional career but reignited his passion in 2018. Since then, he has participated in numerous international competitions in artistic photography. From 2019 to 2024, Zoran has had over 2,500 photographs accepted in various international competitions, receiving over 200 awards, including 16 gold medals. In 2022, during the Malinski Photography Festival in Kumanovo, he held a solo exhibition featuring 30 photographs from the period 2018-2021. He holds several prestigious international titles, including Master of PSA, Supreme of IAAP, EDIPA/g, C*MoL, and Candidate Master of NFU. In the international PSA edition for 2020, Who's Who in Photography lists him among the most successful photographers worldwide in the Photo Travel Division (PTD) Digital and Projected Image Division (PID) Color. In the PSA edition for 2021, he is listed among the most successful photographers in the Projected Image Division (PID) Monochrome and PID Color. In the Who's Who in Photography for 2023, he is listed among the most successful photographers in the Photojournalism Division (PJD) Projected. Zoran is a member of the Photo Group Wide Angle from Stip, the Photo Club Kumanovo, the National Photo Union of Macedonia (NFU), the Photographic Society of America (PSA), and the Danube International Photo Association (DIPA). He actively assists in the work and organization of photo associations in Macedonia and is active at the international level. Contributing to the development of the photographic community, he volunteers in several positions nationally and internationally. He is a member of the governing board of NFU and a representative of DIPA for Macedonia. From 2019 to 2024, he volunteered as the director of the Who's Who editions for Nature Division in the Photographic Society of America (PSA). He was also a member of the PSA EDAS Review Committee from 2019 to 2022. For his outstanding engagement and successful work, he received the PSA Service Award in 2022. He is also a recipient of the PSA Editorial Awards for 2020 and 2021. Every year, Zoran is honored to be a member of the jury committee for several international photography competitions, further contributing to the photographic community. He lives and works in Stip as a university professor, continuing to develop his creative potential in the field of photography.

FIAP BLUE BADGE

CHAO LING JYI

I am a Christian. I have always believed that the world created by God is completely beautiful, but because humans are limited, the eyes cannot see it completely, so God made people invent the camera, which is the third eye of man. Through the lens, people often see the beauty that is not normally seen in the world.
